# About Euroclass

Euroclass is a family-run business that has been operating in New Zealand for over 40 years. We have completed over 300 projects around the country, with our main focus being commercial and industrial construction.

We offer a comprehensive service, from developing the concept to delivering the completed project. We manage the entire project with our civil and building arms, ensuring that the project is delivered on time, within budget, and to the highest standard. We focus on building long-term relationships with our clients and have completed projects for a wide range of tenants, investors, and owner-occupiers.

Our focus is on developing a deep understanding of our client's requirements to ensure that we deliver projects that meet their needs. We believe in a collaborative approach and work closely with our clients, consultants, and contractors to achieve the best possible outcome. Our aim is to deliver exceptional service, whether it's a design and build project or a turnkey development, that exceeds our client's expectations.

Drury South Crossing is a 361-hectare master-planned mixed-use precinct next to State Highway 1, between the Drury Interchange to the north and the Ramarama interchange to the south.

The site is 35 minutes from Auckland CBD, 30 minutes to Auckland Airport, and approximately 55 kms from Hamilton. The site is also only 12km from the growing lifestyle township of Paerata Rise.

The location boasts superior SH1 motorway access with both north and southbound on/off ramps located just five minutes from the property.

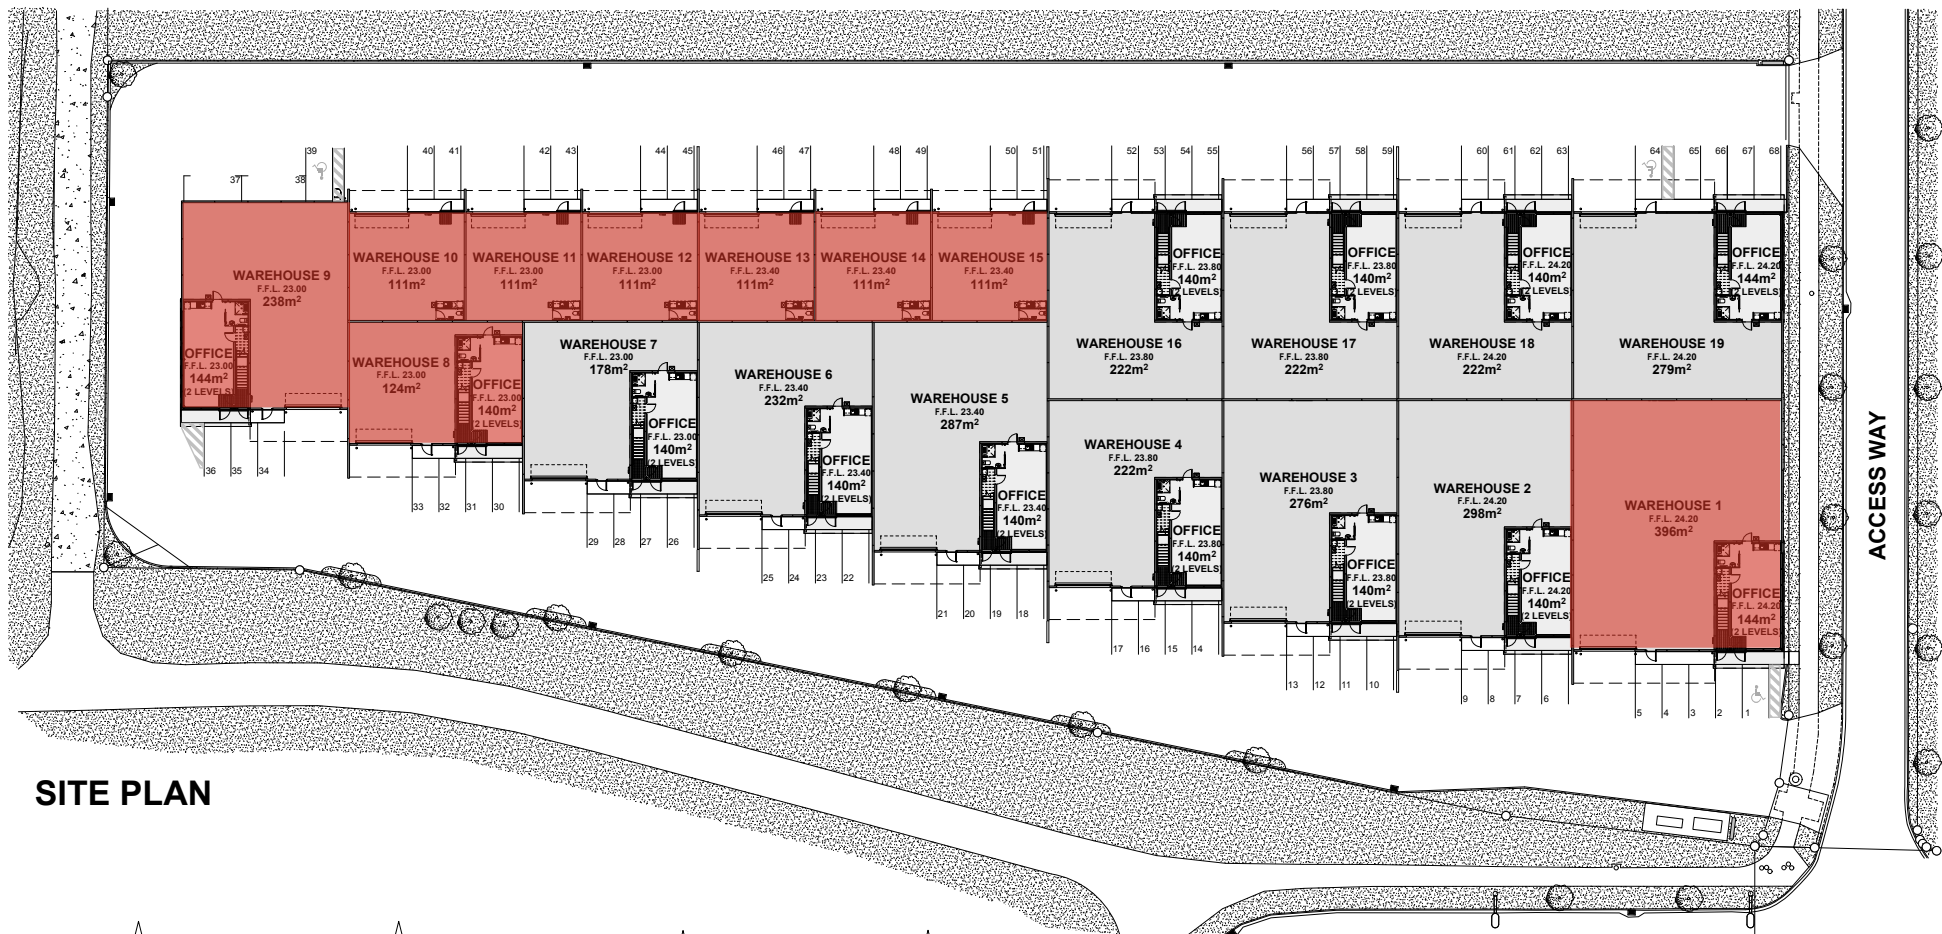

Being located 35 minutes south of Auckland CBD and 40 minutes north of Te Rapa these properties are extremely well positioned to take advantage of the growth expected in this region.

# Executive Summary

## Overview

Property Address  
1-19/27 Toiawaka Road, Drury, Auckland

Zoning  
Business - Light Industry Zone

Tenant  
Vacant Possession

Tenure  
Freehold

Local authority  
Auckland Council

## Highlights

Quality new industrial units

The complex is security fenced with dual entrance/exit gates providing full drive-around capabilities.

Sizes ranging from 130sqm to 580sqm

35 minutes from Auckland CBD, 30 minutes to Auckland Airport, and approximately 55km from Hamilton

## Zoning

The Business-Light Industry Zone anticipates industrial activities that do not generate objectionable odour, dust, or noise. This includes manufacturing, production, logistics, storage, transport and distribution activities.

The anticipated level of amenity is lower than the centres zones, Business - General Business Zone and Business - Mixed Use Zone. Due to the industrial nature of the zone, activities sensitive to air discharges are generally not provided for. The air quality of the zone is managed by the air quality provisions in E14 Air Quality.
